LALEE HIDES

Don't we all feel the need to
snuggle up to, or even into
something?

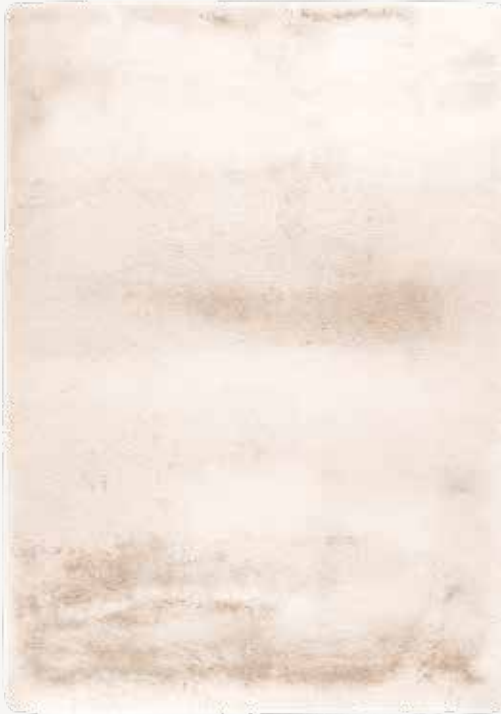

Don't we love to touch
things that are fluffy and
soft all over?

Fibres that caress our
hands and feet.

Feeling like you're lying on
a bed of clouds and then,
to top that off, the bonus of
owning a wonderful,
ultra-modern, cool new
home accessory.

Not to mention the looks
on the faces of your guests,
who would love to take this
treasure of yours directly
home with them.

But it's yours.

**PIERRE
CARDIN**

The background of the image is a marbled pattern with shades of purple, lavender, and light blue, resembling a stone or liquid effect.

Cardin was born near Treviso in northern Italy, the son of Maria Montagner and Alessandro Cardin. His father wanted him to study architecture, but from childhood he was interested in dressmaking. Cardin was known for his avant-garde style and his Space Age designs. Some of his designs were influenced by the art of his friends, such as Salvador Dalí and Pablo Picasso among others. Pierre Cardin is internationally regarded as a visionary and leader in art, business, and public diplomacy.
